- Traffic Sign Assist

## Weights & Measurements

- Exterior Length – 7637mm
- Exterior Length with Carrier rack & Bumper – 8440mm
- Exterior Height – 2950mm
- Exterior Width – 2185mm
- Awning Width – 4500mm
- Awning Extension – 2500mm
- Interior Height- 2080mm
- Ground Clearance to Diff – 220mm
- Freshwater Tank Capacity- 110 L
- Grey Tank Capacity- 100 L
- Water Heater Capacity- Continuous
- Wheelbase – 4325mm
- Total weight – 5000kg
- Gross weight – 4000kg
- Fuel Capacity- 93 L

## Exterior

- Roof Rack with 15 High Performance LED Lights from Vision X
- Front Bumper with Winch holder (Warn Winch is optional)
- Side Mount Ladder
- Rear Door 5th Wheel Carrier
- Rear Door Carrier System
- Offroad Tire Set-up (Optional rims and wheels)
- Solar Panels with External Loading Weight up to 150kg
- Powered Awning with Dimmable LEDs
- 100 L Grey Water Tank with Heating and Insulation
- City/Fresh Water Connection
- Heavy Duty Shore Power Inlet

- Alde Heating System
- Alde Heated floor
- Water Control System
- High Powered Ceiling Intake/Exhaust Fan

## Insulation

Dovra origins from Sweden. We know all about cold winters. The Dovra vehicles are insulated with re-cycled PET, a new material on the market made to stand both heatwaves and snowstorms. Minimal ecological footprint, maximum performance.

- Floor/Podds: Re-cycled PET board (Produced in Sweden)
- Walls/Ceiling: Re-cycled and biodegradable PET fiber (Produced in Sweden)
- Meets criteria for environmental labeling
- Does not produce any mold growth
- Gives a low CO2 footprint
- Does not cause allergies
- Does not emit hazardous substances when burned
